quality Care

We believe that all our residents deserve to be treated with respect and dignity. Capital Oaks realizes that each of our residents has individual needs, and we specialize in providing the care necessary to fulfill these needs.

Our interdisciplinary team works together with each resident's doctor and associated health care professionals to develop a plan of care tailored to meet the specific needs of each resident. This plan of care is implemented by a dedicated, professional staff trained to the highest standards of excellence, yet sensitive to the emotional needs of our residents. At Capital Oaks Nursing & Rehabilitation Center, you will find *Quality Care and Superior Service*.

a truly Exceptional Place

Capital Oaks Nursing & Rehabilitation Center, LLC, is conveniently located in the newly revitalized mid-city area on North Blvd., just minutes away from Baton Rouge General and numerous doctors' offices and the offices of other health care professionals. The warm and friendly atmosphere experienced here reflects the long tradition of quality care that was begun many years ago by Ted Price ... a tradition based upon our belief that what counts most in a nursing facility is resident care. At Capital Oaks, we know that quality resident care is no accident. It is the result of a team of professionals committed to providing the very best in quality care. Our nursing teams and staff know our residents well, their likes and dislikes, their preferences and their habits. One doesn't have to spend much time at Capital Oaks to notice the warm and special relationships between our residents and our caregivers. Capital Oaks is continually working to upgrade and improve its services as evidenced by having an in-house nurse practitioner, leading our profession in electronic medical records, or simply by adding computer systems that are physically interactive and mentally engaging for our residents. Our amenities include private and semi-private suites, arts & crafts areas, new state of the art in-house rehabilitation and fitness gym, special dementia care unit, our grand outdoor gazebo and courtyard with television and elevated gardens, and day rooms ideal for a quiet afternoon show, a lively LSU ballgame, or an evening of cards or dominoes. Our rehabilitation programs, including physical, speech, and occupational therapy, offer our residents the opportunity of returning to their greatest degree of independence with many returning to their own homes. Our Physical Therapists help restore the range of motion, balance, strength, coordination, and functional mobility that allows our patients to improve the quality of their lives. Our Speech Therapists evaluate and rehabilitate swallowing disorders, language, speech, written and spoken verbal communication and verbal memory problems. Our Occupational Therapy team evaluates and provides training in activities of daily living such as feeding, dressing, bathing, and meal preparation. At Capital Oaks Nursing & Rehabilitation Center, we are committed to *Improving Quality of Life*.

Central Management Company^{LLC}

is passionate about its mission to **IMPROVE QUALITY OF LIFE**. Beginning in 1962 with Autumn Leaves in Winnfield, we are a local company that operates nursing facilities, home care agencies, and rehabilitation services across Louisiana and has over fifty-five years of experience in long term care. Central Management continues to earn the respect of our residents and their families, as well as our peers in the medical community. While each facility is unique, having its own personality and character, all are bound together by a corporate philosophy and commitment. We emphasize and value quality care and superior service in all our facilities throughout the state. Our commitment to **IMPROVING QUALITY OF LIFE** is not a passing fad or empty slogan. It is found in every facility, in every administrator and in every department.

At Central Management Company we take our responsibility to be good stewards seriously and put our resources where our priorities are. We believe in continuous staff development and training, substantial reinvesting in upgrading (or rebuilding) our facilities, and adding cutting edge technology to provide the very best services to our customers. We believe our staff makes the difference. They are first in line to partner with state agencies and trusted vendors to test and evaluate new procedures and services and have served on many boards and committees throughout the state including the Louisiana Nursing Home Association, the American Healthcare Association, the Louisiana Board of Examiners for Nursing Facility Administrators, LEADER (Culture Change), and numerous local and civic organizations. Our supervisors and administrators expect more than mere technical compliance with governmental rules and regulations. They lead a team sensitive to the social and emotional needs of the residents. Consequently, our employees know more than their job - they know the importance of a kind word, a gentle touch, and the healing power of a smile. Our staff is passionate about **IMPROVING QUALITY OF LIFE**.

Testimonials

My mom has early onset dementia, and as you can imagine it isn't easy on any of us. As a young family, we still have certain responsibilities that don't allow us to fully take care of her ourselves. Capital Oaks takes away some of that 'caregiver worry'. They give us peace of mind that she's safe and taken care of when we can't be there ourselves. In addition to the beautifully renovated facility, Capital Oaks has a patient and caring staff. I don't take my mom's care lightly, and neither do they.

Rachel

Thank you for the amazing job that you and your staff have done for my sister. Throughout the last 25 years, I have interacted with over a dozen nursing facilities. Capital Oaks is HANDS DOWN the best facility... Please know that I am certain God brought my sister to Capital Oaks because she needed earthly angels to care for her.

Clyde

Therapy has really helped me, especially with my balance, and my legs and arms are not weak as before. I am able to walk better because of the therapy team at Capital Oaks!
